Double Shoot in April No Fooling!

At our next club shoot on April 1st (April Fools Day!) we'll be shooting guns and pictures. Our plans are to set up a "shooting stage" where we can get some great pictures (action and still) for use by the club. We'd like to focus (that's photography talk) on getting a picture of everyone of our shooters. We can then use these pictures for our website, newsletter articles, calendars, autographs, etc. (I'm just kidding about the calendars and autographs).

Big Ole Brad and Dogtown Dave will be coordinating the process. So, come prepared to smile!

The Record Book

Deadeye Duke has suggested that we begin a "fastest stage" contest. The idea is that we would begin keeping track of the fastest time recorded on each of our ten stages. Here's what we are thinking will be the qualifying criteria.

1. Club shoots only. No special event times will count.
2. Stage must be shot clean.
3. Minimum rounds will be 10 rifle, 10 pistol, and 4 shotgun.

We'll start keeping the record book at the April 1st shoot. We hope this proves to be a fun addition.
